Notes

1. The *Right of Interment* Plot Fee provides for one Standard Burial Plot, which contains one grave, or for one grave in a Family Burial Plot, which contains up to six graves depending on the specification at the time the *Right of Interment* is purchased. Whether in a Standard Burial Plot or a Family Burial Plot, a grave is intended for the human remains of one person or the cremated remains of one person.
2. At the time of interment, twenty-five percent (25%) of the *Right of Interment* Plot Fee and of the Pre-Need Administrative Fee (if applicable) is deposited into the Care Fund Trust of the Denman Island Memorial Society, as required by the provincial government, and is held in trust for cemetery maintenance in the event of abandonment or insolvency.
3. A *Right of Interment*, whether purchased on a pre-need basis or at-need basis, does not include the cost of Opening and Closing the Grave or of the Memorial Plaque. Fees for these services are paid prior to interment.
4. The fee for a Memorial Plaque includes the cost of the plaque, delivery and installation, plus \$10 for the Care Fund Trust. A Memorial Plaque is a requirement with all burials, but is optional with the scattering of cremated remains.
5. A successful applicant for the return of a *Right of Interment* will be paid an amount equal to the original *Right of Interment* fee.
6. A successful applicant for the transfer of a *Right of Interment* will also be required to pay an amount equal to any increase in the cost of a *Right of Interment* since the date of the original purchase. Twenty-five percent (25%) of this amount is deposited into the Care Fund Trust.
